Proxies submitted on behalf of companies, societies, partnership firms etc. must be supported by appropriate resolution/authority, as applicable, issued by the member.

2. Queries proposed to be raised at the Annual General Meeting may be sent to the Company at its registered office at least seven days prior to the date of Annual General Meeting to enable the management to compile the relevant information to reply the same in the meeting.

3. Member's /Proxies/ Authorised Persons attending the Annual General Meeting (AGM) of the Company are requested to hand over the Attendance Slip duly filled in for admission to the AGM hall.

4. In case of joint holders attending the Meeting, only such joint holder who is higher in the order of names will be entitled to vote.

5. Members holding Shares in demat/electronic form are requested to write their Client ID and DP ID and those holding Shares in physical form are requested to write their folio number in the attendance slip and deliver duly signed attendance slip at the entrance of the meeting hall.

6. During the period beginning 24 hours before the time fixed for the commencement of the meeting and ending with the conclusion of the meeting, a member would be entitled to inspect the proxies lodged at any time during the business hours of the company, provided that not less than three days of notice in writing is given to the Company.

7. The Register of Directors and Key Managerial Personnel and their shareholding maintained under Section 170 of the Companies Act, 2013 will be available for inspection by the members at the Annual General Meeting.

8. The Register of Contracts or Arrangements in which directors are interested, maintained under Section 189 of the Companies Act, 2013 will be available for inspection by the members at the Annual General Meeting.

9. No gifts, gifts coupons, or cash in lieu of gifts is distributed in the Meeting.

10. Corporate/Institutional Members (i.e. other than individuals, HUF, NRI etc.) intending to send their authorized representatives to attend the Meeting are requested to send certified true copy of the Board Resolution/Authority Letter, together with attested specimen signature(s) of the duly authorized representative(s), to the Company to attend and vote on their behalf at the Meeting.

11. All documents referred to in the notice are open for inspection at the registered office of the Company between 11:00 A.M. to 1:00 P.M. on all working days up to the date of Annual General Meeting.

12. Pursuant to the provisions of Section 124 and other applicable provisions of the Companies Act, 2013 (including any statutory modification(s) or re-enactment thereof for the time being in force) no amount is unclaimed towards dividend to any shareholder.

13. Members are requested to intimate immediately the change of address or demise of any Member, if any, to the Company's Registrar and Transfer Agents or Depository Participant, as the case may be to prevent frauds.

14. Statement giving details of the Director seeking appointment/ re-appointment is also annexed with this Notice pursuant to the requirement of Regulation 36(3) of the SEBI (Listing Obligations and Disclosure Requirements) Regulations, 2015 (hereinafter referred to as 'Listing Regulations') and Secretarial Standard on General Meeting ("SS-2").

15. Pursuant to Regulation 46(2) (j) of SEBI (Listing Obligation and Disclosure Requirement) Regulations, 2015 the Company has created an exclusive E-mail ID: listing@spacapital.com for quick redressal of Members/investors grievances.

16. The Register of Members and Share Transfer Books of the Company shall remain closed from September 24, 2023 to September 30, 2023 (both days inclusive).

17. Members/Proxies should bring their copy of the Annual Report for reference at the meeting and also the duly filled in and signed attendance slip for attending the meeting.

18. Shareholders, who are holding shares in identical order of name in more than one folio, are requested to write to the Company enclosing their share certificates to enable the Company to consolidate their holding in one folio. Members holding shares in physical form are requested to consider converting their holdings to dematerialized form to eliminate all risks associated with physical shares and for ease of portfolio management. Members can contact the Company or RTA for assistance in this regard.

19. Members who are holding Company's shares in dematerialized form are requested to bring details of their Depository Account Number for identification.

20. Pursuant to Section 72 of the Companies Act, 2013, Members who hold shares in the physical form can nominate a person in respect of all the shares held by them singly or jointly. Members who hold shares in single name are advised, in their own interest, to avail of the nomination facility by filling form SH-13. Members holding shares in the dematerialized form may contact their Depository Participant for recording the nomination in respect of their holdings.

22. For convenience of the members and proper conduct of the meeting, entry to the meeting venue will be regulated by Attendance Slip. Members are requested to sign at the space provided in the Attendance Slip and hand it over at the registration counter.

23. In terms of SEBI notification, the shares of the Company are subject to compulsory trading only in dematerialized form on the stock exchange hence members are requested to convert their physical share certificates into electronic form.

24. In terms of Section 72 of the Companies Act, 2013, the shareholders of the Company may nominate a person to whom the shares held by him shall vest in the event of his death.

25. Non-Resident Indian Members are requested to inform RTA, immediately of:

- (a) Change in their residential status on return to India for permanent settlement or
- (b) Particulars of their bank account maintained in India with complete name, branch, account type, account number and address of the bank with pin code number, if not furnished earlier.

The Securities and Exchange Board of India (SEBI) has mandated the submission of Permanent Account Number (PAN) by every participant in securities market. Members holding shares in electronic form are, therefore, requested to submit their PAN to their Depository Participants with whom they are maintaining their demat accounts. Members holding shares in physical form can submit their PAN details to the Company / Share Transfer Agent (RTA), MAS Services Limited, T-34, 2nd Floor, Okhla Industrial Area, Phase-II New Delhi – 110 020 at sm@masserv.com, ph.+91-11-2638 7281/82/83.

26. Pursuant to Section 101 and Section 136 of the Companies Act, 2013 read with relevant Rules made there under, Companies can serve Annual Reports and other communications through electronic mode to those members who have registered their e-mail address either with the Company or with the Depository. Members who have not registered their e-mail address with the Company can now register the same by submitting a request letter in this respect to the Company / Registrar and Share Transfer Agents, M/s MAS Services Limited. Members holding shares in demat form are requested to register their e-mail address with their Depository Participant(s) only.

27. The Notice of AGM along with annual report and Attendance Slip are being sent in electronic mode to members whose e-mail IDs are registered with the Company or the Depository Participant(s) unless the members have registered their request for a hard copy of the same. Physical copies of the Notice of AGM along with annual report and Attendance Slip are being sent to those members who have not registered their e-mail IDs with the Company or Depository Participant(s).

VOTING THROUGH ELECTRONIC MEANS

Pursuant to Section 108 of the Companies Act, 2013, read with Rule 20 of the Companies (Management & Administration) Rules, 2014 as substituted by the Companies (Management and Administration) Amendment, Rules 2015, and Regulation 44 of the SEBI (Listing Obligation and Disclosure Requirement) Regulations, 2015, the Company is pleased to provide members facility to exercise their rights to vote on resolutions proposed in this notice by electronic means ("remote e-voting") and the business may be transacted through e-voting services, the said resolutions will not be decided on a show of hands at the AGM. REMUNERATION POLICY

FOR THE MEMBERS OF BOARD AND EXECUTIVE MANAGEMENT

The Board has delegated to the Nomination and Remuneration Committee in consultation with the Chairman of the Board, the responsibility for identifying and recommending to the Board, candidates for the Board, after considering the necessary and desirable competencies for new.

Policy for Appointment and Re-Appointment of Director

The Board believes that its membership should comprise Directors with an appropriate mix of skills, experience and personal attributes that will best complement board effectiveness, cohesion and diversity and allow the Directors to individually, and as a Board collectively, to:

- (a) Discharge their responsibilities and duties under the law effectively and efficiently;
- (b) Assess the performance of management in meeting those objectives and goals.

Accordingly, in selecting potential new directors, the Nomination and Remuneration committee will seek to identify the competencies required to enable the Board to fulfill its responsibilities. In doing so, the Committee will have regard to the results of the annual appraisal of the Board's performance.

While recognizing that each director will not necessarily fulfill all criteria, the Nomination and Remuneration Committee have identified the following fundamental factors as relevant to the selection and appointment of new directors:

- (a) Outstanding in capability with extensive and senior commercial experience;
- (b) High level of personal integrity; and
- (c) Time available to meet the commitment required.

Remuneration payable to Managing Director/ Whole Time Director

The Managing Director/ Whole-Time Director are receiving remuneration from the Company as per the approval by the members of the Company in the General Meeting (GM) in accordance to the provision of the Companies Act, 2013 and rules made there under.

The annual increments and performance incentive of the Managing Director/Whole Time Directors are linked to their performance and are decided by the Nomination and Remuneration Committee from time to time

Remuneration payable to Non-Executive Directors

The Non-Executive Directors will be paid with the sitting fee, if any, subject to the approval of Board of Directors/including any sub-committee thereof, upto the limit as specified under Companies Act, 2013 and also in Compliance with the Listing Agreement.

Evaluation

In addition to an annual self-evaluation by the Nomination and Remuneration Committee, the Board must review the effectiveness of the Committee annually.

Amendments

This policy can be modified or repealed at any time by the Board of Directors of the Company.

MANAGEMENT DISCUSSION AND ANALYSIS REPORT

The FY 2022-23 was the year where global uncertainties were rife. As the clouds of the pandemic decide to recede leaving a deep imprints, the war in Ukraine broke out in February 2022. Prices of food, fuel and fertilizer rose sharply. As inflation rates accelerated, central banks of advanced countries scrambled to respond with monetary policy tightening. Many developing countries, particularly in the South Asian region, faced severe economic stress as the combination of weaker currencies, higher import prices, the rising cost of living and a stronger dollar, making debt servicing more expensive, proved too much to handle. In the second half of 2022, there was a respite for governments and households. Commodity prices peaked and then declined.

For India, 2022 was special. It marked the 75th year of India's Independence from the inglorious imperialism. As India enters its Amrit Kaal, the 25-year journey towards its centenary as a modern, independent nation and regain its lost glory. India is now the world's fifth largest economy, measured in current dollars. And, destined to be one of the leaders of this age. Ministry of Statistics and Programme Implementation is releasing in Press Note dated August 31, 2023 the estimates of Gross Domestic Product (GDP) for the April-June quarter (Q1) of 2023-24, both at Constant (2011-12) and Current Prices Real GDP or GDP at Constant (2011-12) Prices in Q1 2023-24 is estimated to attain a level of ₹ 40.37 lakh crore, as against ₹ 37.44 lakh crore in Q1 2022-23, showing a growth of 7.8 percent as compared to 13.1 percent in Q1 2022-23. Nominal GDP or GDP at Current Prices in Q1 2023-24 is estimated at ₹ 70.67 lakh crore, as against ₹ 65.42 lakh crore in Q1 2022-23, showing a growth of 8.0 percent as compared to 27.7 percent in Q1 2022-23. India's GDP has reached \$3.75 trillion in 2023, from around \$2 trillion in 2014 Economic Survey 2022-23 states the rise in consumer prices has slowed considerably. The annual rate of inflation is below 6 per cent. Wholesale prices are rising at a rate below 5 per cent. The export of goods and services in the first nine months of the financial year 2022-23(April – December) is up 16 per cent compared to the same period in 2021-22. Although the high oil price this year compared to last inflated India's import bill and caused the merchandise trade deficit to balloon, concerns over the current account deficit and its financing have ebbed as the year rolled on. Foreign exchange reserve levels are comfortable and external debt is low. Policies pursued carefully and consciously have ensured that the recovery is robust and sustainable. During the year, the Reserve Bank of India (RBI) raised interest rates swiftly to prevent the second-round effects of the inflation shock from commodities from affecting economic activity. That played a big part in the relative stability of the Indian rupee against the US dollar in a year of dollar strength. The use of technology has enhanced the quality of life for citizens to ensure the reach of social sector schemes to intended beneficiaries, especially during the pandemic. The transformations in the lives of the citizens happening through the Aspirational Districts Programme, Direct Benefit Transfers, use of Aadhaar and various initiatives in the education, health and basic infrastructure availability is enormous making individual self reliant.

It is befitting that during India's Amrit Kaal, it assumed the Presidency of G-20 nations in December 2022. Global problems need global solutions, and global solutions require collaboration and cooperation. Based on the theme of "Vasudhaiva Kutumbakam: One Earth, One Family, One Future", India's G20 Presidency aims to achieve co-ordinated solutions to key issues of global concern. The Presidency is a platform for India to share its success stories with the global community, especially the manner in which Digital Public Infrastructure has supported an inclusive people-centric growth paradigm. In short, the G20 Presidency is an opportunity for India to bind an otherwise fragmented global order.

1. Opportunities and Threats

(a) Opportunities

India's mutual fund (MF) industry is on a high, but need sustained thrust; while ample opportunities are knocking at the door, it's equally concerned with the numerous challenges. It is beautifully put by Roy T. Bennett "When things do not go your way, remember that every challenge -every adversity - contains within it the seeds of opportunity and growth."

❖ Low mutual fund penetration

The mutual fund industry registering a growth by over 20 per cent, it has only 2 crore investors. The numbers indicate the huge opportunity lying ahead. While the industry is making inroads into the remote areas, there needs to be much more feet on the street in terms of distributors and use of infrastructure of banks, small finance banks, self help groups, and India Post to ensure last mile integration with investors of the B-30 cities.

❖ Rising middle class incomes

Middle class population in India has increased manifold. While 2005, one in 15 households were considered upper middle class, by 2018 it moved to one in five households. Today, India has 6.1 crore upper middle class households with disposable income. However, only 2 crore choose to invest in mutual funds. How to tap in the remaining four crore? Probably, a new kind of marketing strategy can be the answer.

❖ Move to market-linked products

The chart below shows that there is movement from physical (gold, real estate) to financial assets. There is also a shift from traditional products to market-linked ones. Today, people realise that with rising expenses and declining interest rates, some level of market risk is a must, and this is best taken via products like mutual funds.

❖ Millennials and retirees, two ends of the age spectrum

Millennials form a third of our population. According to a Deloitte report they contribute 70 per cent of total household income and account for 46 per cent of the workforce. It is accepted wisdom that the young want much more than just monetary compensation for their work.

However, with the proportion of senior citizens increasing, India will have INR 3.5 crore such individuals by 2030. With increasing life expectancy, lack of social security, rising medical expenses,

senior citizens need solutions that not only beat inflation, but also support their golden years. The opportunity lies in offering accumulation solutions to millennials and decumulation solutions to seniors, both of which mutual funds are well suited to do.

❖ **Fixed income products**

Mutual funds have played a key role in developing India's debt market and have emerged as a key source of funding. However, despite the variety of fixed income products, investors have shown preference for equity funds vis-à-vis debt funds. This makes the debt-side largely untapped.

(b) **Threats**

❖ **Shifting from awareness to education**

The industry spends two basis points or about Rs.500 crore per annum on investors' education. 50 per cent of which was via AMFI's pretty successful Mutual Funds Sahi Hai campaign. However, need of the hour is to transform mutual funds from a push to a pull product. For example, adding financial investment (mutual funds) in high-school or college curriculum. Such efforts will help in instilling the habit of early savings. Mutual funds are one of the most buzzing investment options among millennials these days.

❖ **Need for more distributors**

There is a need for far more distributors and advisors to spread the message of investing in mutual funds far and wide. Indians are usually risk averse and lacks sound financial literacy, thus refrain from investing in market-linked products owing to a lack of understanding. To address this, we need an army of well-trained financial advisors who can help educate investors about modern investment tools such as mutual funds.

❖ **Mutual Funds will have a tough job to maintain the growth in SIP accounts**

Many new investors that have participated in the markets through mutual fund SIPs over the last few years haven't seen any extended bearish phase of the market. If the markets fail to generate attractive returns even in 2023, some investors might consider discontinuing their SIPs. Along with Slow Processes another disadvantage is the Lock-in Period that Locks you in. That's the real challenge mutual fund houses may have to deal with this year.

❖ **Simplified operational processes**

While the mutual fund industry has made significant strides in standardising processes, but few challenges still remain: such as a simplified KYC to make on boarding hassle-free; making Aadhar inter-changeable with PAN; and allowing investments on the basis of 'Bank KYC'.

2. Segment-wise or product-wise performance of the Company

The business activities of the Company is engaged in one segment (i.e. Financial Services) only, hence segment wise reporting is not required to be given.

3. Outlook

The MF industry continued to make new highs on multiple counts in 2022, riding a shift in the preference of Indian investors for traditional debt products such as fixed deposit. MF penetration also increased, catalysed by incentivisation and efficient use of technology. Rightly said by Crisil Research Industry growing, SIP by SIP

The MF industry's asset under management (AUM) grew more than five times over the past 10 years as of March 2023. The AUM grew from Rs 7.01 trillion in March 2013 to Rs 39.42 trillion on March 31, 2023, the AMFI data shows. Individual investors, including high-net individuals (HNIs), held mutual funds worth Rs 23.27 lakh crore as of March 2023, up 11.80 per cent from a year ago.

In the year ended March 2023, investments in equity-oriented schemes, including equity and balanced funds, by individual investors rose by 13 per cent compared to a 0.16 per cent increase in debt-oriented schemes.

In addition, liquid or money-market mutual funds saw a 30 per cent increase, while exchange-traded funds (ETFs) and fund-of-funds (FoFs) saw about 21 per cent growth in the same period, according to AMFI data. Indian Mutual Funds have currently about 6.81 crore (68.1 million) SIP accounts through which investors regularly invest in Indian Mutual Fund schemes. SIP Contribution saw a rise from ₹ 1,24,566 crore to ₹ 1,55,972 crore. this figure is testimony to the growing investing resilience of retail investors despite volatile markets

During April-November 2022, Mutual Funds witnessed significantly lower net inflows than last year. However, during the same period, some schemes comprising growth/equity oriented schemes and solution-oriented schemes observed significantly higher inflows than in the previous year.

On the other hand, income/debt-oriented schemes and hybrid schemes recorded outflows compared to inflows in the same period of the previous year. Outflows from liquid funds and hybrid schemes were mainly affected by increasing interest rate cycles, liquidity requirements and advance tax commitments by corporates. Despite that, the mutual fund industry's assets under management (AuM) increased by 8.1 per cent at the end of November 2022 on YoY basis, thanks to the market performance.

The resilience of the domestic financial system is reflected in the healthy balance sheet of banks, stronger capital levels of NBFCs and robust growth in the AuM of domestic mutual funds. Buoyant demand for bank credit and early signs of a revival in the investment cycle are benefiting from improving asset quality, a return to profitability and resilient capital and liquidity buffers.

The significant growth in the Mutual fund industry is due to three major trends – the increasing utilization of digital platforms, a rise in investors' risk appetite, and the availability of advisory services. These trends have also contributed to the notable increase in the share of adults with bank accounts, which rose significantly which in turn resulted in higher household savings and increased investments in capital market products such as mutual funds.

Individual investors in MFs have mostly preferred the equity side (86% of their investments) and shied away from the debt segment due to lack of understanding and competition from traditional fixed-income products. Therefore, it is important for the MF industry to educate investors about the opportunities on the debt side. MFs are on a strong footing, and we have plenty of reason to believe the products and services offered by the industry would see rapid uptake in coming years.

4. Risks and Concerns

Risk Management is the continuous process of systematically identifying, quantifying, prioritizing and responding to all risks and opportunities that can affect the achievement of the Company's strategic and annual objectives. Accordingly the risk Management Policy of the company elaborates the various methods in identification, assessment, monitoring and mitigation of various risks that the company may face in its business. The company's objective is to achieve a balance between acceptable levels of risk and reward in effectively managing its operational, financial, business and other risks.

5. Internal control systems and their adequacy

An effective internal control mechanism is imperative to good corporate governance. The Company has put in place robust internal control systems and procedures in line with the scale of operations and business to ensure timely and accurate recording of financial transactions and adherence to applicable accounting standards; optimum utilization and safety of assets; compliance with applicable laws & regulations; and an effective management information system & reviews of other systems. The Company also has in place well-defined organizational structures to facilitate clearly established roles and responsibilities for effective discharge of duties in a smooth manner.

6. Discussion on financial performance with respect to operational performance

Our revenues primarily consist of revenue from sale of securities, brokerage income from distribution of Mutual Fund and other financial products, income from interest and dividend.

Due to the outbreak of COVID-19 pandemic and its aftermath, the Company had served a letter to Reserve Bank of India (RBI) pertaining to voluntarily surrender of Certificate of Registration "CoR" of NBFC- ND (Reg No. B-14.00790). But as Covid situation recedes and NBFC Sector is regaining with emerging market economy, NBFCs could absorb the shocks of the pandemic. Company proposes to or withdraw the application for voluntary surrender with immediate effect. An application submitted with RBI for the aforesaid purpose. Company shall continue to hold the license/ Certificate of Registration "CoR" as Non-Deposit accepting Non-Banking Financial Company and it shall continue to undertake the Business of Non-Banking Financial Institution under our Certificate of Registration no. B- 14.00790.

During the year, the brokerage Income has decreased from Rs. 153,754,763 /- in the Financial Year 2021-22 to Rs. 147,989,055 in the Financial Year 2022-23.

It is submitted further that company has recorded Profit before tax of Rs. 3,468,036 in the Financial Year 2022-23 as compared to Rs. 3,443,849 /- in the Financial Year 2021-22.

7. Material developments in Human Resources / Industrial Relations front, including number of people employed

Employees are our vital and most valuable assets. We have created a favorable work environment that encourages innovation and meritocracy. It is important for us that organization culture and organization strategy are well aligned. Over a period we have developed a strong culture of transparency through constant employee communication and have developed strong performance management practices wherein best class rewards and recognition systems are deployed. We have also set up a scalable recruitment and human resources management process which enables us to attract and retain high caliber employees.

8. Cautionary Statement

It is, forever, a work in progress, just like the economy. The statements describing the Company's outlook, estimates or predictions may be forward-looking statements based on certain assumptions of future events. Actual results may differ materially from those expressed or implied, since the Company's operations are influenced by external or internal factors. Your Company closely monitors all major developments likely to affect the operations and will respond to meet the potential threats and to gain from any possible opportunities.

TO THE MEMBERS OF SPA CAPITAL SERVICES LIMITED
Report on the Audit of the Standalone Financial Statements

Qualified Opinion

We have audited the accompanying standalone Ind AS financial statements of **SPA CAPITAL SERVICES LIMITED** ("the Company"), which comprise the Balance sheet as at March 31 2023, the Statement of Profit and Loss including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the 'Basis for Qualified Opinion' section of our report, the aforesaid standalone Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Qualified Opinion

The company has taken various loans, which were outstanding as on 31st March, 2023. The management has not provided the interest on some of the loans, which constitute a departure from the Accrual basis of accounting. The company's records indicate that an Rs. 72,821/- (Rs in Hundreds) for the year ended on March 31, 2023 has not been provided as interest expenses on these loans, which would have been decrease the profit Rs. 72,821/- (Rs in Hundreds) for the year ended on March 31, 2023 and also increase the loan liability by same amount.

Information other than Financial Statements and Auditors Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon. Our opinion on the Standalone Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Standalone Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Standalone Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for Standalone Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these standalone financial statements that give a true and fair view of the financial position, financial and the Cash Flow Statement of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error.

In preparing the financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the company's financial reporting process.

Board of Directors is also responsible for overseeing the Company's financial reporting process.

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of

~~the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.~~

3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Standalone Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Report on Other Legal and Regulatory Requirements

As required by the Companies (Auditor's Report) Order, 2020 ("the Order"), issued by the Central Government of India in terms of sub-section (11) of section 143 of the Companies Act, 2013, we give in the "**Annexure A**" statement on the matters specified in paragraphs 3 and 4 of the Order, to the extent applicable.

Annexure "B" to the Independent Auditor's Report of even date on the Financial Statements of M/s SPA CAPITAL SERVICES LIMITED .

Referred to in paragraph 2(f) of the Independent Auditors' Report of even date to the members of M/s SPA CAPITAL SERVICES LIMITED on the financial statements for the year ended 31st March, 2023.

Report on the Internal Financial Controls under Clause (i) of Sub-section 3 of Section 143 of the Companies Act, 2013 ("the Act")

We have audited the internal financial controls over financial reporting of **SPA CAPITAL SERVICES LIMITED** ("the Company") as of March 31, 2023 in conjunction with our audit of the financial statements of the Company for the year ended on that date.

Management's Responsibility for Internal Financial Controls

The Company's management is responsible for establishing and maintaining internal financial controls based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls over Financial Reporting issued by the Institute of Chartered Accountants of India. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013.

Auditors' Responsibility

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance

Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Companies Act, 2013, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the Institute of Chartered Accountants of India. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

Meaning of Internal Financial Controls over Financial Reporting

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

Opinion

In our opinion, the Company has, in all material respects, an adequate internal financial controls system over financial reporting and such internal financial controls over financial reporting were operating effectively as at March 31, 2023, based on "the internal control over financial reporting criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India.

SPA Capital Services Limited

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

1 Company overview and Significant Accounting Policies

1.1 Corporate Information

SPA Capital Services Limited ("the Company") is a public limited company incorporated on July 20, 1984 under the provisions of the Companies Act, 1956. The Company is engaged in providing Wealth Management and Financial Advisory services to institutions, corporate and individuals. The Company is also registered with Reserve Bank of India as a Non-Deposit Accepting Non Banking Financial Institution.

2.1 Basis of Preparation of Financial Statements

These financial statements have been prepared in accordance with Indian Accounting Standards (IndAS), under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The IndAS are prescribed under Section 133 of the Companies Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

All assets and liabilities are classified as Current and Non-Current as per company's normal operating cycle of 12 months which is based on the nature of business of the Company. Current Assets do not include elements which are not expected to be realised within one year and Current Liabilities do not include items which are due after one year, the period of one year being reckoned from the reporting date.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or are vision to an existing accounting standard requires a change in the accounting policy hitherto in use.

Rounding off

All amounts in the financial statement and accompanying notes are presented in Lacs and have been rounded-off to two decimal place unless stated otherwise.

2.2 Use of Estimates and Judgement

The preparation of financial statements requires management to exercise judgement and make estimates and assumptions that affects the reported amounts of revenue, expenses, assets and liabilities. These estimates and assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates. These estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognised in the period in which the results are known/materialise.

The areas involving significant estimates and judgement include determination of useful life of Property, Plant and Equipment (Refer note 1.4), measurement of defined benefit obligations, and recognition of deferred tax assets/liabilities (Refer note 5).

2.3 Property, Plant and Equipment

Property, Plant and Equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any. For this purpose, cost includes deemed cost which represents the carrying value of Property, Plant and Equipment recognised as at 1st April, 2016 measured as per the previous GAAP.

Cost is inclusive of inward freight, duties and taxes and incidental expenses related to acquisition. In respect of major projects involving construction, related pre-operational expenses form part of the value of assets capitalised. Expenses capitalised also include applicable borrowing costs for qualifying assets, if any. All Upgradation / enhancements are charged off as revenue expenditure unless they bring similar significant additional benefits.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

S. No.	Particulars	Estimated Useful Life
1	Leasehold land	Over lease term
2	Building other than factory	60 years
3	Computers	
	- Computers and other peripherals	3 years
	- Servers and networking	6 years
4	Furniture & Fixtures	10 years
5	Vehicles	8 years
6	Other equipment	5 - 15 years

The useful lives have been determined based on technical evaluation done by the expert's which are in line those specified by Schedule II to the Companies Act 2013. The residual values are not more than 5% of the original cost of the asset. The depreciation methods, assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Advances paid towards the acquisition of property, plant and equipment outstanding at each Balance Sheet date is classified as capital advances under Other Non-Current Assets and the cost of assets not put to use before such date is disclosed under 'Capital work-in-progress'.

SPA Capital Services Limited

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss.

2.4 Intangible Assets

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry, and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

2.5 Investments :

Investments are classified as Current or Non-Current based upon management intent at the time of acquisition. Investments that are intended to be held for not more than one year from the date of acquisition are classified as Current Investments. All other investments are classified as Non-Current Investments.

2.6 Inventories

The shares and securities acquired with the intention of trading are considered as Stock in trade and disclosed as Current Assets. The stock in trade of securities is valued at lower of aggregate cost or aggregate market price / aggregate net asset value in case of unquoted, as per the provisions of ICDS. The cost is determined on First In First Out (FIFO) basis.

2.7 Financial Instruments, Financial Assets, Financial Liabilities and Equity Instruments

Recognition

Financial assets include Investments, Trade receivables, Advances, Security Deposits, Cash and Cash Equivalents. Such assets are initially recognised at transaction price when the Company becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being fair valued through the Statement of Profit and Loss.

Classification

Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.

Financial assets are classified as those measured at:

Amortised cost

Where the financial assets are held solely for collection of cash flows arising from payments of principal and/ or interest.

Fair Value Through Other Comprehensive Income (FVTOCI)

Where the financial assets are held not only for collection of cash flows arising from payments of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in Other Comprehensive Income.

Fair Value Through Profit or Loss (FVTPL)

Where the assets are managed in accordance with an approved investment strategy that triggers purchase and sale decisions based on the fair value of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in the Statement of Profit and Loss in the period in which they arise.

Measurement

Trade receivables, Advances, Security Deposits, Cash and cash equivalents etc. are classified for measurement at amortised cost while investments may fall under any of the aforesaid classes. However, in respect of particular investments in equity instruments that would otherwise be measured at fair value through profit or loss, an irrevocable election at initial recognition may be made to present subsequent changes in fair value through other comprehensive income.

Impairment of Financial Assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried amortized cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognized from initial recognition of the receivables.

Derecognition of Financial Assets

A financial asset is derecognised only when

- The Company has transferred the rights to receive cash flows from the financial asset; or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

SPA Capital Services Limited

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

Where the entity has neither transferred a financial asset nor retained substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

Income Recognition

Dividend income is recognised in the Statement of Profit and Loss when the right to receive dividend is established.

Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

Financial Liabilities

i) Trade Payables and Other Financial Liabilities

Trade Payables and Other Financial Liabilities are initially recognised at the value of the respective contractual obligations. Trade and other payables represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and presented as current liabilities unless payment is not due within 12 months after the reporting period.

ii) Borrowings

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in profit or loss as other gains/(losses).

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

Equity Instruments

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as deduction, net of tax, from the proceeds.

2.8 Revenue Recognition

(a) Sale of Shares & Securities

Revenue from sales is recognized at the completion of each settlement of the capital market segment of the Stock Exchange.

In respect of non-delivery based transactions in capital market segment, the profit/loss is accounted for at the end of each settlement.

Revenue from derivative market segment:-

- in respect of settled contracts the difference between the transaction price and settlement price is recognized in the Statement of Profit and Loss; and

- in respect of open interests as on the balance sheet date, the derivatives are valued at fair value, and the difference between the fair value and the transaction price, is recognized in the Statement of Profit and Loss.

Income from Dividend is recognized when the right to receive payment is established.

(b) Other Income

Gain on Sale of Investment is recorded on transfer of title from the Company and is determined as the difference between the sale price and carrying value of the investment.

The revenue from Interest & Other Income is recognized on accrual basis as part of Other Income in the Statement of Profit and Loss.

2.9 Employee Benefits

a. Short-term Obligations

Liabilities for wages, salaries and bonus, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

b. Post-Employment Obligations

The Company operates the following post-employment schemes:

- defined benefit plans for gratuity, and
- defined contribution plans for provident fund.

SPA Capital Services Limited

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

Defined Benefit Plans

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Defined Contribution Plans

The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

2.10 Impairment of Non-Financial Assets

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit to which the asset belongs.

2.11 Borrowing Costs

Borrowings are measured at amortized cost. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalized as a prepayment for liquidity services and amortized over the period of the facility to which it relates.

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Other borrowing costs are expensed in the period in which they are incurred.

2.12 Income Tax

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred tax are recognised in the Statement of Profit and Loss, except when they relate to items that are recognised in Other Comprehensive Income or directly in equity, in which case, the current and deferred tax are also recognised in Other Comprehensive Income or directly in equity, respectively.

(i) Current tax:

Current tax expenses are accounted in the same period to which the revenue and expenses relate. Provision for current income tax is made for the tax liability payable on taxable income after considering tax allowances, deductions and exemptions determined in accordance with the applicable tax rates and the prevailing tax laws.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

(ii) Deferred tax :

Deferred income tax is recognised using the balance sheet approach. Deferred tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements, except when the deferred tax arises from the initial recognition of goodwill, an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction.

Deferred income tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

Deferred tax liabilities are generally recognised for all taxable temporary differences except in respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures where the timing of the reversal of the temporary difference can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantially enacted by the end of the reporting period.

SPA Capital Services Limited

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

Minimum Alternative Tax ("MAT") credit forming part of deferred tax assets is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such asset is reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a reasonable certainty to the effect that the Company will pay normal income tax during the specified period.

2.13 Ind AS 12 Appendix C, Income Tax

On March 30, 2019, the Ministry of Corporate Affairs has notified Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to the appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment, or group of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates. The standard permits two possible methods of transition - i) Full retrospective approach – Under this approach, Appendix C will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors, without using hindsight and ii) Retrospectively with cumulative effect of initially applying Appendix C recognized by adjusting equity on initial application, without adjusting comparatives. The effective date for adoption of Ind AS 12 Appendix C is annual periods beginning on or after April 1, 2019. The Company will adopt the standard on April 1, 2019 and has decided to adjust the cumulative effect in equity on the date of initial application i.e. April 1, 2019 without adjusting comparatives. The effect on adoption of Ind AS 12 Appendix C would be insignificant in the standalone financial statements.

2.14 Earnings Per Share

a. Basic Earnings Per Share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year

b. Diluted Earnings Per Share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account the after-income tax effect of interest and other financing costs associated with dilutive potential equity shares, and the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

2.15 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/loss for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

2.16 Events occurring after the Balance Sheet date

There have been no material events other than disclosed in the financial statements after reporting date which would require disclosure or adjustments to the financial statements as of and for the year ended 31 March 2023.

**INDEPENDENT AUDITOR'S REPORT
TO THE MEMBERS OF SPA CAPITAL SERVICES LIMITED**

Report on the Audit of the Consolidated Financial Statements

Qualified Opinion

We have audited the accompanying Consolidated Ind AS financial statements of **SPA CAPITAL SERVICES LIMITED** ("the Company"), which comprise the Balance sheet as at March 31 2023, the Statement of Profit and Loss including the statement of Other Comprehensive Income, the Cash Flow Statement and the Statement of Changes in Equity for the year then ended, and notes to the financial statements, including a summary of significant accounting policies and other explanatory information.

In our opinion and to the best of our information and according to the explanations given to us, except for the possible effects of the matter described in the 'Basis for Qualified Opinion' section of our report, the aforesaid Consolidated Ind AS financial statements give the information required by the Companies Act, 2013, as amended ("the Act") in the manner so required and give a true and fair view in conformity with the accounting principles generally accepted in India, of the state of affairs of the Company as at March 31, 2023, its profit including other comprehensive income, its cash flows and the changes in equity for the year ended on that date.

Basis for Qualified Opinion

The company has taken various loans, which were outstanding as on 31st March, 2023. The management has not provided the interest on some of the loans, which constitute a departure from the Accrual basis of accounting. The company's records indicate that an amount of Rs. 72,821/- (Rs in hundreds) for the year ended on March 31, 2023 has not been provided as interest expenses on these loans, which would have been decrease the profit by Rs. 72,821/- (Rs in hundreds) for the year ended on March 31, 2023 and also increase the loan liability by same amount.

Information other than Financial Statements and Auditors Report Thereon

The Company's management and Board of Directors are responsible for the other information. The other information comprises the information included in the Company's annual report, but does not include the financial statements and our auditors' report thereon. Our opinion on the Consolidated Financial Statements does not cover the other information and we do not express any form of assurance conclusion thereon.

In connection with our audit of the Consolidated Financial Statements, our responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the Consolidated Financial Statements or our knowledge obtained in the audit or otherwise appears to be materially misstated. If, based on the work we have performed, we conclude that there is a material misstatement of this other information; we are required to report that fact. We have nothing to report in this regard.

Responsibility of Management for Consolidated Financial Statements

The Company's Board of Directors is responsible for the matters stated in section 134(5) of the Companies Act, 2013 ("the Act") with respect to the preparation of these Consolidated financial statements that give a true and fair view of the financial position, financial and the Cash Flow Statement of the Company in accordance with the accounting principles generally accepted in India, including the accounting Standards specified under section 133 of the Act. This responsibility also includes maintenance of adequate accounting records in accordance with the provisions of the Act for safeguarding of the assets of the Company and for preventing and detecting frauds and other irregularities; selection and application of appropriate accounting policies; making judgments and estimates that are reasonable and prudent; and design, implementation and maintenance of adequate internal financial controls, that were operating effectively for ensuring the accuracy and completeness of the accounting records, relevant to the preparation and presentation of the financial statement that give a true and fair view and are free from material misstatement, whether due to fraud or error, which have been used for the purpose of preparation of the consolidated financial statements by the Directors of the Holding Company, as aforesaid.

In preparing the consolidated financial statements, management is responsible for assessing the Company's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the Company or to cease operations, or has no realistic alternative but to do so. The Board of Directors are also responsible for overseeing the company's financial reporting process.

Board of Directors is also responsible for overseeing the Company's financial reporting process of Group Entities

Auditor's Responsibilities for the Audit of the Financial Statements

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with SAs will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these financial statements.

As part of an audit in accordance with SAs, we exercise professional judgment and maintain professional skepticism throughout the audit.

We also:

1. Identify and assess the risks of material misstatement of the financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
2. Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances. Under section 143(3)(i) of the Companies Act, 2013, we are also responsible for expressing our opinion on whether the company has adequate internal financial controls system in place and the operating effectiveness of such controls.

3. Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.
4. Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the Company's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the Company to cease to continue as a going concern.
5. Evaluate the overall presentation, structure and content of the financial statements, including the disclosures, and whether the financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

We also provide those charged with governance with a statement that we have complied with relevant ethical requirements regarding independence, and to communicate with them all relationships and other matters that may reasonably be thought to bear on our independence, and where applicable, related safeguards.

From the matters communicated with those charged with governance, we determine those matters that were of most significance in the audit of the Consolidated Financial Statements of the current period and are therefore the key audit matters. We describe these matters in our auditors' report unless law or regulation precludes public disclosure about the matter or when, in extremely rare circumstances, we determine that a matter should not be communicated in our report because the adverse consequences of doing so would reasonably be expected to outweigh the public interest benefits of such communication.

Other Matters

The consolidated Financial Results include the audited Financial Results of SPA Investment Advisors Private Limited (Previously known as IFAN Finserv Private Limited) 'Associate Company' and, whose Financial Statements reflect Group's share of total profit for the year ended March 31, 2023 for Rs. 16,576/-(Rs in hundreds), as considered in the consolidated Financial Results, which have been audited by us.

Report on Other Legal and Regulatory Requirements

As required by Section 143(3) of the Act, we report that:

- (a) We have sought and obtained all the information and explanations which to the best of our knowledge and belief were necessary for the purposes of our audit.
- (b) In our opinion, proper books of account as required by law have been kept by the Company so far as it appears from our examination of those books.
- (c) The Consolidated balance sheet, the Consolidated statement of profit and loss (including other comprehensive income), the Consolidated statement of changes in equity and the Consolidated statement of cash flows dealt with by this Report are in agreement with the books of account;

- (d) In our opinion, the aforesaid Consolidated Financial Statements comply with the Ind AS specified under section 133 of the Act, read with Rule 7 of the Companies (Accounts) Rules, 2014.
- (e) On the basis of the written representations received from the directors as on 31st March, 2023 taken on record by the Board of Directors, none of the directors is disqualified as on 31st March, 2023 from being appointed as a director in terms of Section 164 (2) of the Act.
- (f) With respect to the adequacy of the internal financial controls over financial reporting of the Company and the operating effectiveness of such controls, refer to our separate Report in "**Annexure A**".
- (g) With respect to the matter to be included in the Auditors' Report under section 197(16):

In our opinion and according to the information and explanations given to us, the remuneration paid by the Company to its directors during the current year is in accordance with the provisions of Section 197 of the Act.

- (h) With respect to the other matters to be included in the Auditor's Report in accordance with Rule 11 of the Companies (Audit and Auditors) Rules, 2014, in our opinion and to the best of our information and according to the explanations given to us:
- i. The Company has disclosed the impact of pending litigations on its financial position in its financial statements which would impact its financial position
 - ii. The Company has no long-term contracts as at 31st March, 2023 and therefore there are no material foreseeable losses.
 - iii. There were no amounts which required to be transferred by the Company to the Investor Education and Protection Fund by the Company during the year ended 31st March, 2023

Annexure A to the Independent Auditor's Report on the Consolidated financial Statements of SPA Capital Services Limited for the year ended 31st March 2023

Report on the Internal Financial Controls under Clause (i) of Sub-section (3) of Section 143 of the Companies Act, 2013 (the "Act")

(Referred to in paragraph 2(f) under 'Report on Other Legal and Regulatory Requirements' section of our report to the Members of SPA Capital Services Limited of even date)

OPINION

We have audited the internal financial controls with reference to financial statements of SPA Capital Services Limited ("the Company") as of 31 March 2023 in conjunction with our audit of the Consolidated financial statements of the Company for the year ended on that date.

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2023, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note").

In our opinion, the Company has, in all material respects, adequate internal financial controls with reference to financial statements and such internal financial controls were operating effectively as at 31 March 2023, based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting issued by the Institute of Chartered Accountants of India (the "Guidance Note")

MANAGEMENT'S RESPONSIBILITY FOR INTERNAL FINANCIAL CONTROLS

The Company's management and the Board of Directors are responsible for establishing and maintaining internal financial controls based on the internal financial controls with reference to financial statements criteria established by the Company considering the essential components of internal control stated in the Guidance Note. These responsibilities include the design, implementation and maintenance of adequate internal financial controls that were operating effectively for ensuring the orderly and efficient conduct of its business, including adherence to company's policies, the safeguarding of its assets, the prevention and detection of frauds and errors, the accuracy and completeness of the accounting records, and the timely preparation of reliable financial information, as required under the Companies Act, 2013 (hereinafter referred to as "the Act").

AUDITORS' RESPONSIBILITY

Our responsibility is to express an opinion on the Company's internal financial controls over financial reporting based on our audit. We conducted our audit in accordance with the Guidance Note on Audit of Internal Financial Controls Over Financial Reporting (the "Guidance Note") and the Standards on Auditing, issued by ICAI and deemed to be prescribed under section 143(10) of the Act, to the extent applicable to an audit of internal financial controls, both applicable to an audit of Internal Financial Controls and, both issued by the ICAI. Those Standards and the Guidance Note require that we comply with ethical requirements and plan and perform the audit to obtain reasonable assurance

about whether adequate internal financial controls over financial reporting was established and maintained and if such controls operated effectively in all material respects.

Our audit involves performing procedures to obtain audit evidence about the adequacy of the internal financial controls system over financial reporting and their operating effectiveness. Our audit of internal financial controls over financial reporting included obtaining an understanding of internal financial controls over financial reporting, assessing the risk that a material weakness exists, and testing and evaluating the design and operating effectiveness of internal control based on the assessed risk. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the Consolidated financial statements, whether due to fraud or error.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion on the Company's internal financial controls system over financial reporting.

MEANING OF INTERNAL FINANCIAL CONTROLS OVER FINANCIAL REPORTING

A company's internal financial control over financial reporting is a process designed to provide reasonable assurance regarding the reliability of financial reporting and the preparation of Consolidated financial statements for external purposes in accordance with generally accepted accounting principles. A company's internal financial control over financial reporting includes those policies and procedures that (1) pertain to the maintenance of records that, in reasonable detail, accurately and fairly reflect the transactions and dispositions of the assets of the company; (2) provide reasonable assurance that transactions are recorded as necessary to permit preparation of Consolidated financial statements in accordance with generally accepted accounting principles, and that receipts and expenditures of the company are being made only in accordance with authorizations of management and directors of the company; and (3) provide reasonable assurance regarding prevention or timely detection of unauthorized acquisition, use, or disposition of the company's assets that could have a material effect on the financial statements.

Inherent Limitations of Internal Financial Controls over Financial Reporting

Because of the inherent limitations of internal financial controls over financial reporting, including the possibility of collusion or improper management override of controls, material misstatements due to error or fraud may occur and not be detected. Also, projections of any evaluation of the internal financial controls over financial reporting to future periods are subject to the risk that the internal financial control over financial reporting may become inadequate because of changes in conditions, or that the degree of compliance with the policies or procedures may deteriorate.

SPA Capital Services Limited

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

1 Company overview and Significant Accounting Policies

2.1 Corporate Information

SPA Capital Services Limited ("the Company") is a public limited company incorporated on July 20, 1984 under the provisions of the Companies Act, 1956. The Company is engaged in providing Wealth Management and Financial Advisory services to institutions, corporate and individuals. The Company is also registered with Reserve Bank of India as a Non-Deposit Accepting Non Banking Financial Institution.

2.2 Basis of Preparation of Financial Statements

These financial statements have been prepared in accordance with Indian Accounting Standards (IndAS), under the historical cost convention on the accrual basis except for certain financial instruments which are measured at fair values, the provisions of the Companies Act, 2013 ('the Act') (to the extent notified) and guidelines issued by the Securities and Exchange Board of India (SEBI). The IndAS are prescribed under Section 133 of the Companies Act read with Rule 3 of the Companies (Indian Accounting Standards) Rules, 2015 and relevant amendment rules issued thereafter.

Historical cost is generally based on the fair value of the consideration given in exchange for goods and services. Fair value is the price that would be received to sell an asset or paid to transfer a liability in an orderly transaction between market participants at the measurement date.

All assets and liabilities are classified as Current and Non-Current as per company's normal operating cycle of 12 months which is based on the nature of business of the Company. Current Assets do not include elements which are not expected to be realised within one year and Current Liabilities do not include items which are due after one year, the period of one year being reckoned from the reporting date.

Accounting policies have been consistently applied except where a newly issued accounting standard is initially adopted or are vision to an existing accounting standard requires a change in the accounting policy hitherto in use.

Rounding off

All amounts in the financial statement and accompanying notes are presented in Lacs and have been rounded-off to two decimal place unless stated otherwise.

2.3 Use of Estimates and Judgement

The preparation of financial statements requires management to exercise judgement and make estimates and assumptions that affects the reported amounts of revenue, expenses, assets and liabilities. These estimates and assumptions are based on historical experience and various other factors that are believed to be reasonable under the circumstances. Actual results may differ from these estimates. These estimates and underlying assumptions are reviewed on a periodic basis. Revisions to accounting estimates are recognised in the period in which the results are known/materialise.

The areas involving significant estimates and judgement include determination of useful life of Property, Plant and Equipment (Refer note 1.4), measurement of defined benefit obligations, and recognition of deferred tax assets/liabilities (Refer note 5).

2.4 Property, Plant and Equipment

Property, Plant and Equipment are stated at cost of acquisition or construction less accumulated depreciation and impairment, if any. For this purpose, cost includes deemed cost which represents the carrying value of Property, Plant and Equipment recognised as at 1st April, 2016 measured as per the previous GAAP.

Cost is inclusive of inward freight, duties and taxes and incidental expenses related to acquisition. In respect of major projects involving construction, related pre-operational expenses form part of the value of assets capitalised. Expenses capitalised also include applicable borrowing costs for qualifying assets, if any. All Upgradation / enhancements are charged off as revenue expenditure unless they bring similar significant additional benefits.

An item of property, plant and equipment is derecognized upon disposal or when no future economic benefits are expected to arise from the continued use of asset. Any gain or loss arising on the disposal or retirement of an item of property, plant and equipment is determined as the difference between the sales proceeds and the carrying amount of the asset and is recognised in the Statement of Profit and Loss.

S. No.	Particulars	Estimated Useful Life
1	Leasehold land	Over lease term
2	Building other than factory	60 years
3	Computers	
	- Computers and other peripherals	3 years
	- Servers and networking	6 years
4	Furniture & Fixtures	10 years
5	Vehicles	8 years
6	Other equipment	5 - 15 years

The useful lives have been determined based on technical evaluation done by the expert's which are in line those specified by Schedule II to the Companies Act 2013. The residual values are not more than 5% of the original cost of the asset. The depreciation methods, assets' residual values and useful lives are reviewed, and adjusted if appropriate, at the end of each reporting period.

Advances paid towards the acquisition of property, plant and equipment outstanding at each Balance Sheet date is classified as capital advances under Other Non-Current Assets and the cost of assets not put to use before such date is disclosed under 'Capital work-in-progress'.

SPA Capital Services Limited

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

The cost and related accumulated depreciation are eliminated from the financial statements upon sale or retirement of the asset and the resultant gains or losses are recognized in the Statement of Profit and Loss.

2.5 Intangible Assets

Intangible assets are stated at cost less accumulated amortization and impairment. Intangible assets are amortized over their respective individual estimated useful lives on a straight-line basis, from the date they are available for use. The estimated useful life of an identifiable intangible asset is based on a number of factors including the effects of obsolescence, demand, competition, and other economic factors (such as the stability of the industry, and known technological advances), and the level of maintenance expenditures required to obtain the expected future cash flows from the asset.

2.6 Investments :

Investments are classified as Current or Non-Current based upon management intent at the time of acquisition. Investments that are intended to be held for not more than one year from the date of acquisition are classified as Current Investments. All other investments are classified as Non-Current Investments.

2.7 Inventories

The shares and securities acquired with the intention of trading are considered as Stock in trade and disclosed as Current Assets. The stock in trade of securities is valued at lower of aggregate cost or aggregate market price / aggregate net asset value in case of unquoted, as per the provisions of ICDS. The cost is determined on First In First Out (FIFO) basis.

2.8 Financial Instruments, Financial Assets, Financial Liabilities and Equity Instruments

Recognition

Financial assets include Investments, Trade receivables, Advances, Security Deposits, Cash and Cash Equivalents. Such assets are initially recognised at transaction price when the Company becomes party to contractual obligations. The transaction price includes transaction costs unless the asset is being fair valued through the Statement of Profit and Loss.

Classification

Management determines the classification of an asset at initial recognition depending on the purpose for which the assets were acquired. The subsequent measurement of financial assets depends on such classification.

Financial assets are classified as those measured at:

Amortised cost

Where the financial assets are held solely for collection of cash flows arising from payments of principal and/ or interest.

Fair Value Through Other Comprehensive Income (FVTOCI)

Where the financial assets are held not only for collection of cash flows arising from payments of principal and interest but also from the sale of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in Other Comprehensive Income.

Fair Value Through Profit or Loss (FVTPL)

Where the assets are managed in accordance with an approved investment strategy that triggers purchase and sale decisions based on the fair value of such assets. Such assets are subsequently measured at fair value, with unrealised gains and losses arising from changes in the fair value being recognised in the Statement of Profit and Loss in the period in which they arise.

Measurement

Trade receivables, Advances, Security Deposits, Cash and cash equivalents etc. are classified for measurement at amortised cost while investments may fall under any of the aforesaid classes. However, in respect of particular investments in equity instruments that would otherwise be measured at fair value through profit or loss, an irrevocable election at initial recognition may be made to present subsequent changes in fair value through other comprehensive income.

Impairment of Financial Assets

The Company assesses on a forward looking basis the expected credit losses associated with its assets carried amortized cost and FVOCI debt instruments. The impairment methodology applied depends on whether there has been a significant increase in credit risk.

For trade receivables only, the Company applies the simplified approach permitted by Ind AS 109 Financial Instruments, which requires expected lifetime losses to be recognized from initial recognition of the receivables.

Derecognition of Financial Assets

A financial asset is derecognised only when

- The Company has transferred the rights to receive cash flows from the financial asset; or
- Retains the contractual rights to receive the cash flows of the financial asset, but assumes a contractual obligation to pay the cash flows to one or more recipients.

Where the entity has transferred an asset, the Company evaluates whether it has transferred substantially all risks and rewards of ownership of the financial asset. In such cases, the financial asset is derecognised. Where the entity has not transferred substantially all risks and rewards of ownership of the financial asset, the financial asset is not derecognised.

Where the entity has neither transferred a financial asset nor retained substantially all risks and rewards of ownership of the financial asset, the financial asset is derecognised if the Company has not retained control of the financial asset. Where the Company retains control of the financial asset, the asset is continued to be recognised to the extent of continuing involvement in the financial asset.

SPA Capital Services Limited

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

Income Recognition

Dividend income is recognised in the Statement of Profit and Loss when the right to receive dividend is established.

Offsetting Financial Instruments

Financial assets and liabilities are offset and the net amount is reported in the balance sheet where there is a legally enforceable right to offset the recognised amounts and there is an intention to settle on a net basis or realise the asset and settle the liability simultaneously. The legally enforceable right must not be contingent on future events and must be enforceable in the normal course of business and in the event of default, insolvency or bankruptcy of the Company or the counterparty.

Financial Liabilities

i) Trade Payables and Other Financial Liabilities

Trade Payables and Other Financial Liabilities are initially recognised at the value of the respective contractual obligations. Trade and other payables represent liabilities for goods and services provided to the Company prior to the end of financial year which are unpaid. The amounts are unsecured and presented as current liabilities unless payment is not due within 12 months after the reporting period.

ii) Borrowings

Borrowings are removed from the balance sheet when the obligation specified in the contract is discharged, cancelled or expired. The difference between the carrying amount of a financial liability that has been extinguished or transferred to another party and the consideration paid, including any non-cash assets transferred or liabilities assumed, is recognized in profit or loss as other gains/(losses).

Borrowings are classified as current liabilities unless the Company has an unconditional right to defer settlement of the liability for at least 12 months after the reporting period. Where there is a breach of a material provision of a long-term loan arrangement on or before the end of the reporting period with the effect that the liability becomes payable on demand on the reporting date, the entity does not classify the liability as current, if the lender agreed, after the reporting period and before the approval of the financial statements for issue, not to demand payment as a consequence of the breach.

Equity Instruments

Equity shares are classified as equity. Incremental costs directly attributable to the issue of new shares or options are shown in equity as deduction, net of tax, from the proceeds.

2.9 Revenue Recognition

(a) Sale of Shares & Securities

Revenue from sales is recognized at the completion of each settlement of the capital market segment of the Stock Exchange.

In respect of non-delivery based transactions in capital market segment, the profit/loss is accounted for at the end of each settlement.

Revenue from derivative market segment:-

- in respect of settled contracts the difference between the transaction price and settlement price is recognized in the Statement of Profit and Loss; and

- in respect of open interests as on the balance sheet date, the derivatives are valued at fair value, and the difference between the fair value and the transaction price, is recognized in the Statement of Profit and Loss.

Income from Dividend is recognized when the right to receive payment is established.

(b) Other Income

Gain on Sale of Investment is recorded on transfer of title from the Company and is determined as the difference between the sale price and carrying value of the investment.

The revenue from Interest & Other Income is recognized on accrual basis as part of Other Income in the Statement of Profit and Loss.

2.10 Employee Benefits

a. Short-term Obligations

Liabilities for wages, salaries and bonus, including non-monetary benefits that are expected to be settled wholly within 12 months after the end of the period in which the employees render the related service are recognised in respect of employees' services up to the end of the reporting period and are measured at the amounts expected to be paid when the liabilities are settled. The liabilities are presented as current employee benefit obligations in the balance sheet.

b. Post-Employment Obligations

The Company operates the following post-employment schemes:

- defined benefit plans for gratuity, and
- defined contribution plans for provident fund.

Defined Benefit Plans

The liability or asset recognised in the balance sheet in respect of defined benefit gratuity plans is the present value of the defined benefit obligation at the end of the reporting period less the fair value of plan assets. The defined benefit obligation is calculated annually by actuaries using the projected unit credit method. The present value of the defined benefit obligation is determined by discounting the estimated future cash outflows by reference to market yields at the end of the reporting period on government bonds that have terms approximating to the terms of the related obligation.

SPA Capital Services Limited

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

The net interest cost is calculated by applying the discount rate to the net balance of the defined benefit obligation and the fair value of plan assets. This cost is included in employee benefit expense in the statement of profit and loss. Remeasurement gains and losses arising from experience adjustments and changes in actuarial assumptions are recognised in the period in which they occur, directly in other comprehensive income. They are included in retained earnings in the statement of changes in equity and in the balance sheet. Changes in the present value of the defined benefit obligation resulting from plan amendments or curtailments are recognised immediately in profit or loss as past service cost.

Defined Contribution Plans

The Company pays provident fund contributions to publicly administered provident funds as per local regulations. The Company has no further payment obligations once the contributions have been paid. The contributions are accounted for as defined contribution plans and the contributions are recognised as employee benefit expense when they are due. Prepaid contributions are recognised as an asset to the extent that a cash refund or a reduction in the future payments is available.

2.11 Impairment of Non-Financial Assets

Intangible assets and property, plant and equipment are evaluated for recoverability whenever events or changes in circumstances indicate that their carrying amounts may not be recoverable. For the purpose of impairment testing, the recoverable amount (i.e. the higher of the fair value less cost to sell and the value-in-use) is determined on an individual asset basis unless the asset does not generate cash flows that are largely independent of those from other assets. In such cases, the recoverable amount is determined for the cash generating unit to which the asset belongs.

2.12 Borrowing Costs

Borrowings are measured at amortized cost. Fees paid on the establishment of loan facilities are recognized as transaction costs of the loan to the extent that it is probable that some or all of the facility will be drawn down. To the extent there is no evidence that it is probable that some or all of the facility will be drawn down, the fee is capitalized as a prepayment for liquidity services and amortized over the period of the facility to which it relates.

General and specific borrowing costs that are directly attributable to the acquisition, construction or production of a qualifying asset are capitalised during the period of time that is required to complete and prepare the asset for its intended use or sale. Qualifying assets are assets that necessarily take a substantial period of time to get ready for their intended use or sale. Investment income earned on the temporary investment of specific borrowings pending their expenditure on qualifying assets is deducted from the borrowing costs eligible for capitalisation. Other borrowing costs are expensed in the period in which they are incurred.

2.13 Income Tax

Income tax expense comprises current tax expense and the net change in the deferred tax asset or liability during the year. Current and deferred tax are recognised in the Statement of Profit and Loss, except when they relate to items that are recognised in Other Comprehensive Income or directly in equity, in which case, the current and deferred tax are also recognised in Other Comprehensive Income or directly in equity, respectively.

(i) Current tax:

Current tax expenses are accounted in the same period to which the revenue and expenses relate. Provision for current income tax is made for the tax liability payable on taxable income after considering tax allowances, deductions and exemptions determined in accordance with the applicable tax rates and the prevailing tax laws.

Current tax assets and current tax liabilities are offset when there is a legally enforceable right to set off the recognised amounts and there is an intention to settle the asset and the liability on a net basis.

(ii) Deferred tax:

Deferred income tax is recognised using the balance sheet approach. Deferred tax assets and liabilities are recognised for deductible and taxable temporary differences arising between the tax base of assets and liabilities and their carrying amount in financial statements, except when the deferred tax arises from the initial recognition of goodwill, an asset or liability in a transaction that is not a business combination and affects neither accounting nor taxable profits or loss at the time of the transaction.

Deferred income tax assets are recognised to the extent that it is probable that taxable profit will be available against which the deductible temporary differences and the carry forward of unused tax credits and unused tax losses can be utilised.

Deferred tax liabilities are generally recognised for all taxable temporary differences except in respect of taxable temporary differences associated with investments in subsidiaries, associates and interests in joint ventures where the timing of the reversal of the temporary difference can be controlled and it is probable that the temporary difference will not reverse in the foreseeable future.

Deferred tax liabilities and assets are measured at the tax rates that are expected to apply in the period in which the liability is settled or the asset realised, based on tax rates (and tax laws) that have been enacted or substantially enacted by the end of the reporting period.

Deferred tax assets and liabilities are offset when there is a legally enforceable right to set off current tax assets against current tax liabilities and when they relate to income taxes levied by the same taxation authority and the Company intends to settle its current tax assets and liabilities on a net basis.

Minimum Alternative Tax ("MAT") credit forming part of deferred tax assets is recognised as an asset only when and to the extent there is convincing evidence that the Company will pay normal income tax during the specified period. Such assets are reviewed at each Balance Sheet date and the carrying amount of the MAT credit asset is written down to the extent there is no longer a reasonable certainty to the effect that the Company will pay normal income tax during the specified period.

NOTES TO FINANCIAL STATEMENTS FOR THE YEAR ENDED MARCH 31, 2023

Ind AS 12 Appendix C, Income Tax

On March 30, 2019, the Ministry of Corporate Affairs has notified Ind AS 12 Appendix C, Uncertainty over Income Tax Treatments which is to be applied while performing the determination of taxable profit (or loss), tax bases, unused tax losses, unused tax credits and tax rates, when there is uncertainty over income tax treatments under Ind AS 12. According to the appendix, companies need to determine the probability of the relevant tax authority accepting each tax treatment, or group of tax treatments, that the companies have used or plan to use in their income tax filing which has to be considered to compute the most likely amount or the expected value of the tax treatment when determining taxable profit (tax loss), tax bases, unused tax losses, unused tax credits and tax rates. The standard permits two possible methods of transition - i) Full retrospective approach – Under this approach, Appendix C will be applied retrospectively to each prior reporting period presented in accordance with Ind AS 8 – Accounting Policies, Changes in Accounting Estimates and Errors, without using hindsight and ii) Retrospectively with cumulative effect of initially applying Appendix C recognized by adjusting equity on initial application, without adjusting comparatives. The effective date for adoption of Ind AS 12 Appendix C is annual periods beginning on or after April 1, 2019. The Company will adopt the standard on April 1, 2019 and has decided to adjust the cumulative effect in equity on the date of initial application i.e. April 1, 2019 without adjusting comparatives. The effect on adoption of Ind AS 12 Appendix C would be insignificant in the Consolidated financial statements.

2.14 Earnings Per Share

a. Basic Earnings Per Share

Basic earnings per share is calculated by dividing:

- the profit attributable to owners of the Company
- by the weighted average number of equity shares outstanding during the financial year

b. Diluted Earnings Per Share

Diluted earnings per share adjusts the figures used in the determination of basic earnings per share to take into account the after-income tax effect of interest and other financing costs associated with dilutive potential equity shares, and the weighted average number of additional equity shares that would have been outstanding assuming the conversion of all dilutive potential equity shares.

2.15 Cash Flow Statement

Cash flows are reported using the indirect method, whereby profit/loss for the period is adjusted for the effects of transactions of a non-cash nature, any deferrals or accruals of past or future operating cash receipts or payments and item of income or expenses associated with investing or financing cash flows. The cash flows from operating, investing and financing activities of the Company are segregated.

2.16 Events occurring after the Balance Sheet date

There have been no material events other than disclosed in the financial statements after reporting date which would require disclosure or adjustments to the financial statements as of and for the year ended 31 March 2023
